

WHAT TO BRING

Here is what you and your camper should pack for camp. Please remember to mark every item of clothing and personal belonging with your camper's name, including toiletries, camera, etc. Mark the outside of luggage and sleeping bag as well. Campers each have a large drawer in which to store all their belongings once they arrive at camp. Camper laundry is done once per session.

CLOTHING TIPS

In order to maintain a wholesome environment, we ask that you assist your camper in selecting appropriate camp attire:

- Weather at camp is typically in the mid 70's to the low 90's during the day. Night time lows can be in the high 50's to low 60's.
- Campers 7th grade and older should plan for colder night time temperatures on their 3-day backpack trips.
- Choose modest clothing that fits the body well. Avoid very short shorts, low slung pants, skimpy tops, etc. One-piece bathing suits are required for girls.
- Clothing that depicts violent images, foul language, topics of tobacco, drugs, alcohol, or gang affiliations are not allowed.
- Select clothing that does not require special laundry care.

CLOTHING LIST

- 8 short sleeved shirts
- 3 long sleeved shirts
- 2 sweatshirts
- 1 jacket/fleece
- 3 pair long pants/jeans/sweats
- 5 pair shorts
